

GSA Announces UK Award Winners for 2018

The Global Sourcing Association (GSA) formally announced the winners of the GSA UK Awards on Thursday 22nd November at the Marriot London Grosvenor Square.

The GSA UK Awards now in its fifteenth year recognises and celebrates the efforts of companies who have demonstrated best-practice in sourcing. The Awards took place after the GSA's UK Symposium, which was centred on Reshaping Sourcing.

Kerry Hallard, CEO of the Global Sourcing Association UK said "The breadth of submissions to these Awards continues to increase, as we see ever more dynamic and innovative collaborative programmes presented to us. Again, a very impressive shortlist and all those on the shortlist should be commended.

The live judging process adds an extra dimension to the awards and really helps differentiate the winners through a live interview process. Congratulations goes to all the winners".

About the GSA

The Global Sourcing Association (GSA) is the industry association and professional body for the global sourcing industry. We are the home of the Global Sourcing Standard, a world first for the provision of a portfolio of best practice methodologies and accreditation programmes supported by both buyers and suppliers of sourcing.

The GSA is a not-for-profit membership association which serves to share best practice, trends and connections across the globe bringing the global community together in a wholly interactive manner for the first time. Its overriding objective is the ongoing development

and dissemination of the Standard and supporting portfolio of qualifications in order to improve the benefits and positive reputation, and therefore size, of the global sourcing industry.
