

Winners Announced for the European Outsourcing Association Awards 2015

Last night, at the Pestana Palace in Lisbon, the winners of the European Outsourcing Association (EOA) Awards 2015 were officially announced.

The awards ceremony, which followed the EOA Leadership Summit, celebrated the successes of outsourcing buyers and service providers who have demonstrated the very best practice in pan-European outsourcing.

Kerry Hallard, CEO of the National Outsourcing Association (NOA), said:

“Once again we’ve seen a fantastic array of organisations offering up some of the best outsourcing examples that Europe and beyond has to offer, making this year’s awards ceremony particularly competitive. The winners must be immensely proud – every entrant and outsourcing partnership on the shortlist showcased the ability to provide business value in an exciting and innovative manner.

“It was fantastic to see such a wide variety of representatives from our industry sharing experiences, knowledge and ideas with one another. There was clearly some great networking going on, for the new-comers and more established firms alike. I’d like to take this opportunity to thank our sponsors CGI, AICEP, Portugal Outsourcing and Miratech for their contributions and support.”
