

PROFESSIONAL AWARDS 2020

Congratulations on being a finalist for this year's GSA Professional Awards!

The GSA has been busy organising a virtual awards ceremony; we were holding out in the hope for a face to face event, however due to the current climate we're taking our Professional Awards virtual! Don't worry, we plan to make the night just as glitzy and just as much of a celebration as the awards have previously been. The GSA team will be dusting off their glad rags and dressing up for the occasion! So, grab your fanciest outfit and join on the 12th November from 5:30pm, to celebrate all the fantastic achievements the industry has achieved this year.

Guests are invited to join us for some pre-event networking drinks, we'll have some virtual rooms set up so you can mingle with your team or in virtual networking rooms with other shortlisted nominees. You're more than welcome to BYOB, but we've also set up some exciting packages to include your drinks for the evening, and even some GSA branded glasses to get you in the celebratory spirit – so you don't have to leave the house!

The evening proceedings will commence with a brief welcome from the GSA and then we'll hand over to our top-class comedian, who will be hosting the evening and taking us through the awards, making you laugh and celebrating each winner live on screen. Of course, it wouldn't be an awards night without some live entertainment, so we have the UK's best human jukebox (in our opinion!), at the ready to take your song requests to the piano. It's certainly going to be a virtual awards ceremony you don't want to miss!

So, what are you waiting for - get your glad rags on and grab yourself a drink (or wait for them to arrive in the post), take a seat and enjoy the evening!

GUEST PACKAGES
