

Sustainability Targets and Vested® Outsourcing

22 November 2022

Shehan Kamal

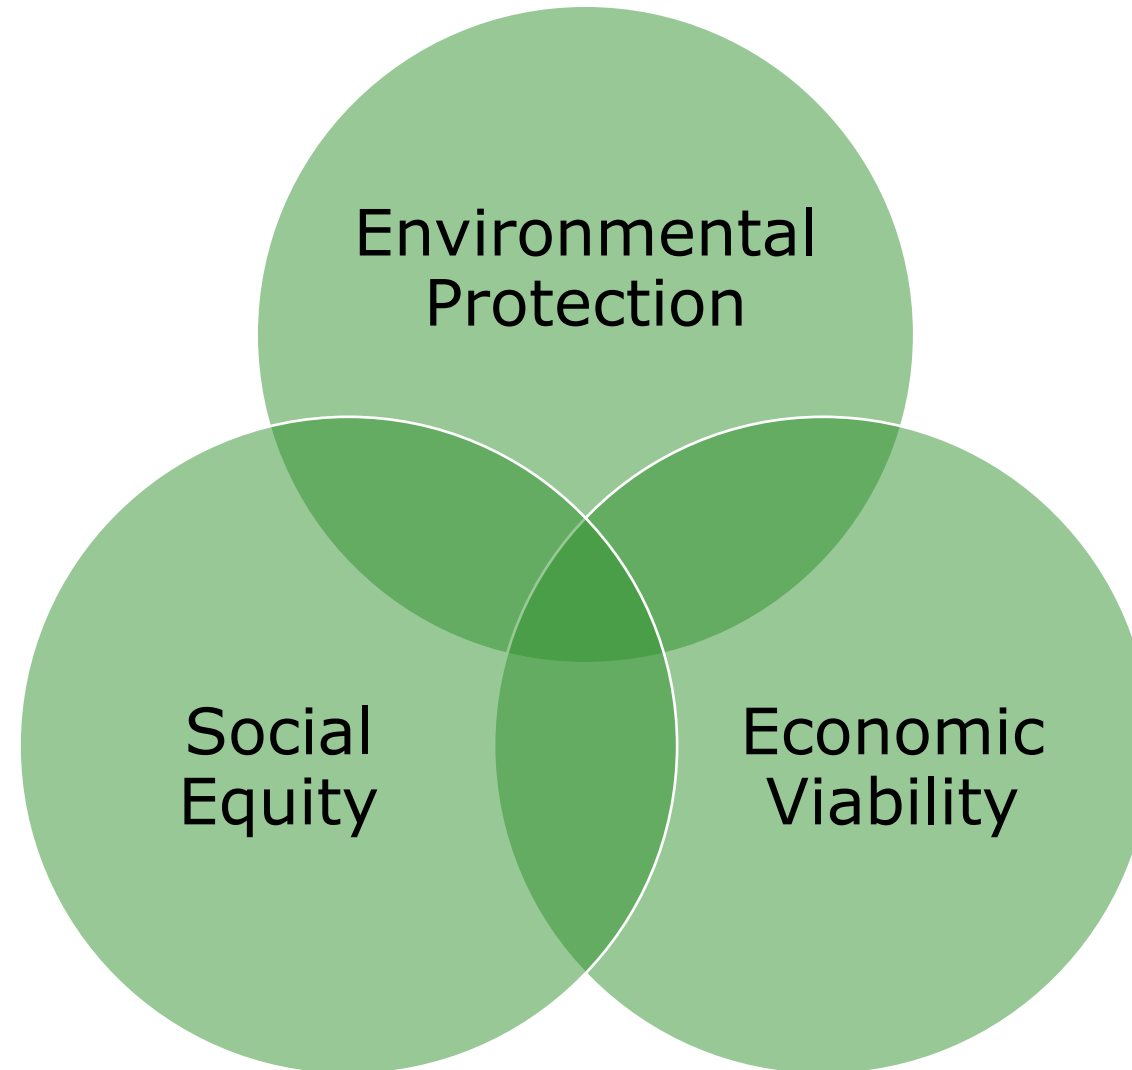

Associate

“

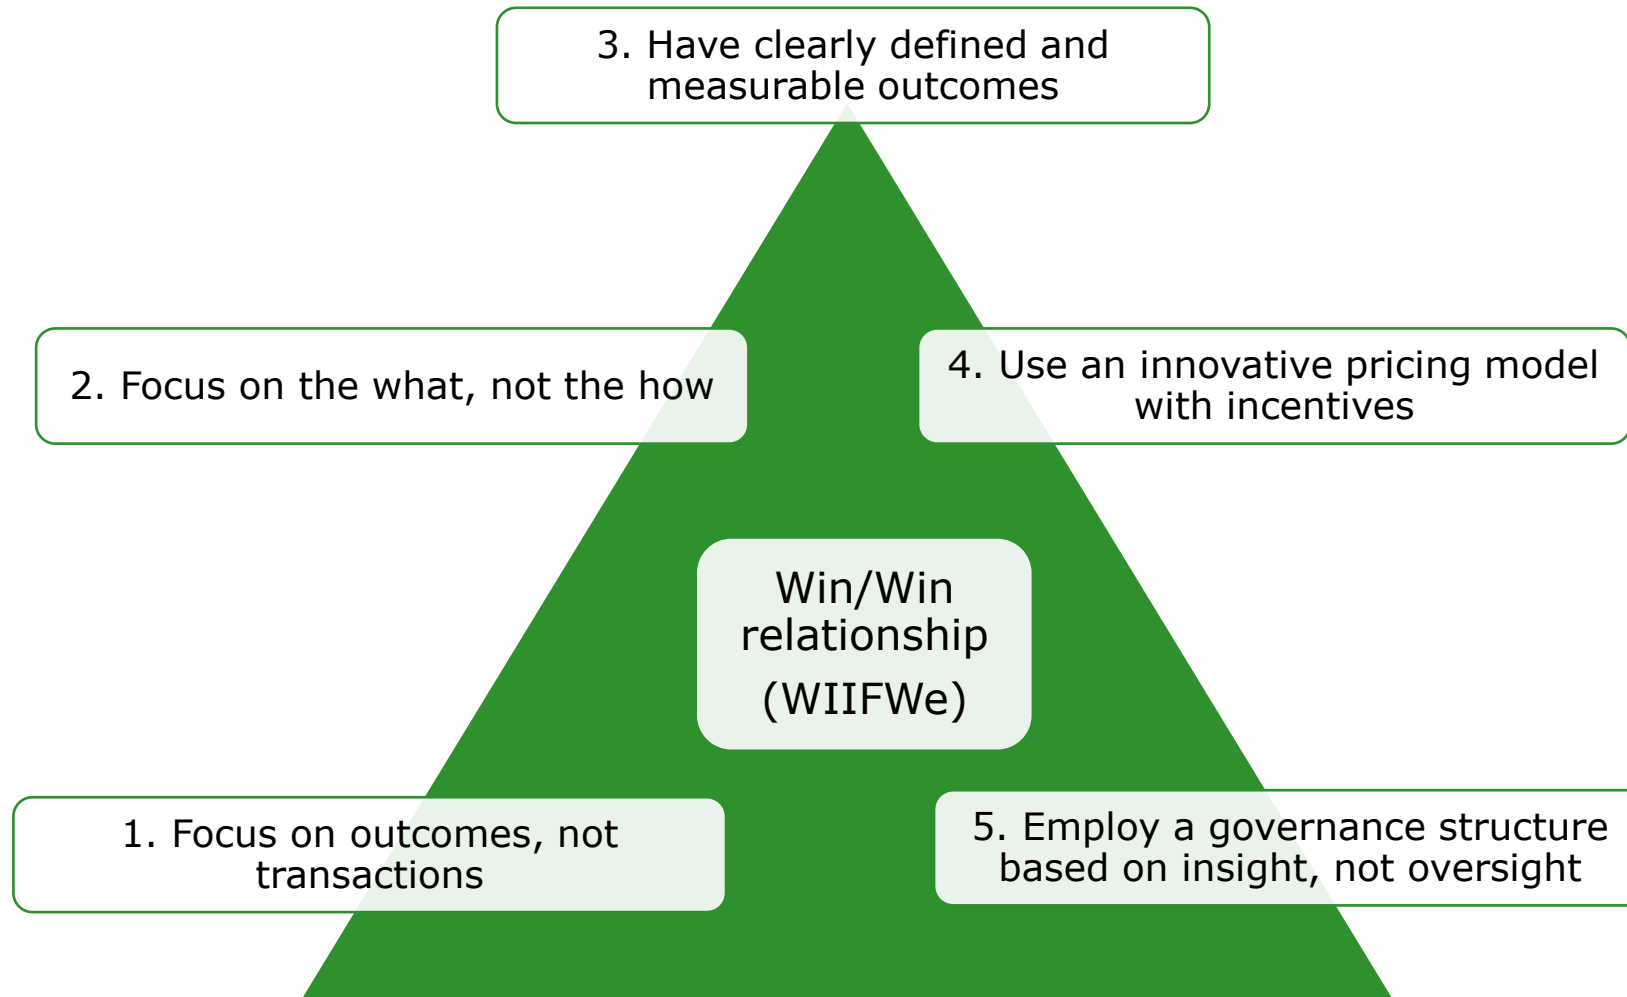

The hammer-beam roof of Dartington Hall in Devon was destroyed by fire. The roof was rebuilt by local craftsmen from oak trees felled on the estate. The estate planted new oak trees for the next replacement of the roof when it would be needed in 200 years time.

**1445 – from the estate records of
Dartington Hall**

”

Vested® Outsourcing

Practical points

Environmental

- End of Life
- Use of renewable energy
- Recycling programs
- Funding research into disposal and reuse
- Reducing packaging

Social Equity

- investment in youth
- corporate philanthropy targets
- employability schemes
- diversity targets (not policies)
- commitments to simple social impact movements

Economic Viability

- green financing
- appropriate pricing incentives for end of life / recycle programs
