### **GSA Announces the UK Awards 2023 Shortlist**

The Global Sourcing Association is delighted to announce the 2023 UK Awards shortlist. Winners will be announced on Tuesday 4<sup>th</sup> July at the GSA UK Awards Ceremony at the Grand Connaught Rooms in London.

The UK Awards, now in their 20<sup>th</sup> year, recognise and celebrate the efforts of companies who have demonstrated best practice in Strategic Sourcing.

Global Sourcing Association CEO, Kerry Hallard said:

“It is phenomenal to see the consistently excellent work delivered by partnerships across the industry and around the world, and to see just how positively and rapidly the industry continues to evolve. The award nominations across all categories are excellent and I applaud and congratulate everyone on the shortlist.”

**About the GSA**

**WHO WE ARE**

The Global Sourcing Association is a social enterprise striving to make a difference and promote positive change across the technology and business services industry. Trusted by sourcing professionals for 35 years, the GSA is the consistent voice for the future of the industry and the professionals working within it; promoting sustainable and ethical sourcing to create a positive future for our businesses and our shared planet.

**WHAT WE DO**

The GSA dedicates itself to encouraging partnership and collaboration across the sourcing industry to allow sourcing professionals to develop themselves and their teams to perform to the best of their ability.

Through best practice guides, engaging workshops, thought provoking events, consistent content, peer to peer roundtable discussions, networking across a passionate global community and professional development for all stages of career progression; the GSA is the beating heart of the sourcing community. The best performing companies have a strategic sourcing function; the GSA gives you the ability to perform better than ever before.

**OUR VISION**

Our ambitious vision aims to redefine the role of sourcing in the global economy. We aim to create and promote a fairer, more inclusive, and more balanced sourcing ecosystem that motivates, excites and engages sourcing professionals, as well as providing them with the learning and development they need to succeed.
