

## UK AWARDS 2023

### Congratulations on being a finalist for the GSA UK Awards 2023!

We're delighted to be hosting the 2023 UK Awards ceremony on the 4<sup>th</sup> July at the Grand Connaught Rooms in London.

Join us to celebrate all of the fantastic achievements in our industry this year, and there are a lot, as we've seen from your submissions! Guests are invited to join us from 19:00 for networking drinks, where you can catch up with industry peers.

From there, you'll be invited to the main hall where the evening's proceedings will commence with a brief welcome from the GSA and then we hand over to our host for the evening who will be taking us through the award winner announcements, making you laugh and celebrating each winner live on stage. You'll be enjoying a fabulous three course meal and, of course, it wouldn't be a GSA awards night without some live entertainment, so we'll have some surprise guests along the way. We'll finish the night with some music and take to the dancefloor to celebrate our industry. It's certainly going to be an awards ceremony you don't want to miss!

See you there!
